

Sneha Rao

Frontend UI/UX Developer • sneha.rao@example.com • +1 (555) 678-9012 • Chicago, IL

PROFESSIONAL SUMMARY

Creative and enthusiastic Frontend Developer with 1.5 years of experience crafting intuitive, mobile-responsive web interfaces with React, JavaScript, HTML5, and modern CSS frameworks.

TECHNICAL SKILLS

React, JavaScript, HTML5, CSS3, Tailwind CSS, Responsive Design, Git, GitHub, Vite, Redux, Bootstrap

PROFESSIONAL EXPERIENCE

Junior Frontend Developer – PixelCraft Studios (2023 - Present (1.5 years))

- Developed modern user interfaces using React, JavaScript (ES6+), and Tailwind CSS.
- Converted Figma design mockups into pixel-perfect, accessible, and responsive web pages.
- Integrated frontend components with backend REST APIs.
- Maintained code repositories and branch workflows using Git and GitHub.

EDUCATION

B.S. in Web Development & Digital Design, University of Texas (2023)

KEY PROJECTS

Portfolio Showcase Platform: Responsive single-page application built with React and Vite.

Task Management Board: Interactive drag-and-drop kanban board using React hooks and HTML5 drag APIs.
